so I am staying
in bed no nothing left
Mamma have been
sitting at home some
now 11. & I will get up
when I finish this -

I certainly don't understand
this side there must be
trouble of some sort to

Keep up one steady gain of
one kind or other for four
months - but the weather does
affect it very very much -
Enough of me - I haven't been
able to get driven up on the hill
since I left after my attack at the
Smiths Dam afraid to walk up
Mam. Margaret Kilbourn & I
are invited down to the Buchans

Mother Darling -

This is a glorious day for you & go down to Coburg - I hope you see something of it, it is such a pretty town & no not sentiment.

I was pretty lonely when you left but came over to Jean's & a real tea party then Frances Bulchait drove me home.

Mrs Smith says very anxious I stay but asked

(2)

me & come down Saturday
over the week end & this
week - I came Saturday
Morning Aunt Bessie seemed
glad and we have been
having such a nice quiet
time - we were down at
Margaret Kelbourns Sat
afternoon for tea and Sat
Night Creighton Taylor who
I used to push around
in a baby carriage took
us out meeting yesterday
we were at Horahs for tea
with some soldiers returning
& discharged & here for

supper -

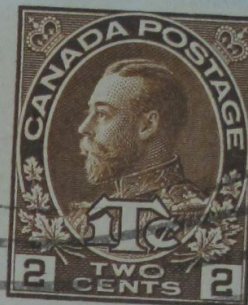

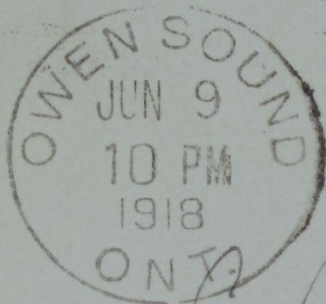

We get up very late & go to bed
pretty early -

My side is still pretty sore seems
I have settled again in the one
spot in my side with sharp
shooty pains but is a lot better
since you left but awfully
discouraging I haven't walked
two blocks or any thing fresh
now ever. I guess I strained it
bending over weeding & the
knees were clamp.

Will you be up again - Mamma
is coming home Friday or
Saturday I think.

Give my love Mrs Burwash
How is Dad give him my love
that good can & you & the
pussy too.

Jean & Mrs Smith send

Sunday
June 9th -

Mother Darling -

I hope it isn't
raining in Oakville and you
won't be able to get out. It
is simply pouring here all day.
I was so glad to hear from you
yesterday & to know you
are going to buy a fresh next
week's news - Is Dad taking
holidays - Sounds thrilling!
Bob was in bed in his
letters this week, but said
he had a little cold.

I am feeling ever ever so
much better I am all
regulated up again I have
very little pain next week
am going to forget I have
a side at all.

Mrs Parker wouldn't hear
of me leaving yesterday
nor till Tuesday then I go to
visit Lottie for a few
days then home.

Mrs Cresson & Maum came
home yesterday & is feeling
better is lame & looks sick
yet though they are 3.3

very very anxious to have me for
as long as I can stay with them
It's great here dear & I am having
such a nice restful time
it's nice to talk with all my old
friends & see them -

Hazel Kennedy wants to give
me a picnic this week.

If you don't mind I have to
much to do I will stay on for a
little while as I may never
have as good a chance again
dear - The old crowd won't be
here in just many summers.
How is Dad? Give him my bestest
love dear & please send me
my five dollars sometime soon.
My coat looks fine - Oh Mother,
could you send my white flannel
belly up as I can't wear my skirt
without it -

Lots of love I miss my
Mother & am awfully sorry

Love Dorothy.

June 22nd

Dearest Mother, -

I am thinking
and thinking of you dear
~~quonking~~ if I should be
home today - I have had
a perfectly glorious visit
feel & look like a new girl you
have no idea how every
step has hurt me but rest
paraffin oil prescribed by
Mr. Parker has done the deed.
I think

I am so glad you had

a nice little faint with
May - I guess she thought
she was in heaven again.
Ben came home last night
I & we all went down to meet
him - Poor guy he looked huge
but fearfully thin & worn, but
oh so glad to be home. Not the
old Ben a great big man
quiet not a bit fussed with
the huge crowd all the yelling
just crazy & see everyone
he is to go to Rampsville in
two weeks for treatment.
Mrs Frank Kilbourn gave a

ter in my honor yesterday. Mrs. Bouell
the day before & Mary Widdifield today.
just the girls & its great to be with them
all but I am satisfied now ready to come
home -

Bae wants me to have a suit
made & stay over a couple of days
for it. Margaret Kilbourn just had
a suit finished & it looks simply
stunning & fits beautifully. Bae
has an old piece of goods very very
fine for \$46 - so I ordered one. I am
sure up & really one needs a good
suit & we can't get this cloth again.
I will be home Thursday at the very
very latest.

Sunday - Jean, Nora & Margaret & I have
been motoring with Ben - its a
glorious day & its better to be feeling well.
My best love to Dad - I wish it were
for Mrs. Porter & with this letter.

Heaps of love from your own
little girl Dorothy.

I go up & visit Bae tomorrow.

274, 10th - St West.

Darlingest Mother -

It's so good

to get your letters you
certainly were a fearful
baby dear -

I had the loveliest visit
with Jean Mother from
Sat morning till yesterday
& am asked to go back & stay
again which makes you
feel pretty good. Lazy

we got up near noon &
went out with the girls
lath afternoon. Dtea at one
or other house etc but very
quiet indeed -

Its so nice here just as
it used. We & I realize no
other people will ever
love me or be as interested
as my friends here & we
must never let me forget
it ever because so many
people dont care whether
you live or die & here
they do.

Bae has been real sick with
indigestion but is better this morning
my sister looks great hooray -
Mrs Bishop gave me the very
beautiful square cake plate like
the cream pitcher & sugar bowl you
bought me of Royal Worcester can't

spell it - its a real beauty just
as a present & they are very
anxious to have me visit a
few days - Boeie had a tear for
me yesterday & Mother Mrs
Merritt Day is having a big tea for
me today I will be - (Private)

Dearie my side is sore it has still
centered in the one spot - Stab my eye me
but they do not move my bowels at all
any more no matter how much
water I use ask Dad what I better
do I took castor oil yesterday & felt
fine today -

Mr Payson is in a high
robe of flame Dorothea

Dear Kid

It is as hot as h —
here to-day, — the worst yet —
everybody says, though the temperature
does not seem to be so high.

Enclosed are some photographs
which have just come in from
Babe's films.

I am glad you are away
to-day for it would have been
very depressing, and though the trip
up was probably very hot it couldn't
possibly be any worse than my
office at this minute. However a
storm is coming up from the west.

and it may clear the air. You
can get lots of fresh air and sleep
up there & if it is too hot upstairs
there is lots of room downstairs. It
is the best possible place for Babs
too just now - the necessary break with
doctors, hospitals & early convalescence. I
hope that she will pick up rapidly
and I think she will. The babies will
be interesting dolls to play with.

Have a good time & forget the
rotten old city. With much love

George
